Re: Docket 98P-0203/CP

Dear Mr. Jaffe:

I fully support the petition to ban the forced molting of layer hens. Have you seen what this forced molting does to the hens. They are barely recognizable as hens. To punish a hen to this type of existence is sad and inhumane, please here my plea for the animals. Please ban this practice.

Please feel free to contact me at the address below.

Sincerely,
